Website review for 2021

The website has continued to provided inspiration, information and news to the congregation and the local and wider community. With the continuation of Covid-19, the main use of the website has been to provide online church services. The website review for 2020 can be found online.

The graph above shows the page views for 2021 in blue and the page views for 2020 in orange. The website did not start until April 2020. You can see the Sunday spikes when most people access the website for the Sunday services. This year as Covid restrictions have eased and we can go to church, these spikes are not so high.
The website is viewed all round the world, 82.4% from the UK, 6.9% from the USA and the rest from 44 other countries.
